

SAFETY RULES FOR RACING

- Driver Safety Gear
 - Helmet (Required)
 - Chest Protector (Recommended)
 - Boots (Required)

- Sled Safety Gear (All Items Required)
 - All sleds subject to safety inspection by track official
 - Working brakes
 - Belt Guard
 - Tether
 - Mud Flap

- General Safety Rules
 - All clean outs must be done in designated area (safety stand/backstop required during clean outs).
 - Clean outs will *not* be allowed at the starting line. Failure to obey this rule will result in a round loss.
 - Any pit member entering the starting line must wear eye protection.
 - Cool down carts are allowed.
 - All decisions from the race official are final.
